Acting Administrator Nishida,

Please find attached a letter sent on behalf of the State of Washington and six federally recognized Tribes (Lower Elwha Klallam Tribe, Makah Tribe, Port Gamble S'Klallam Tribe, Sauk-

Suiattle Indian Tribe, Stillaguamish Tribe, and Suquamish Tribe) requesting EPA's immediate action on Trump Administration decisions in regard to Washington's Human Health Criteria.

Please note that we have copied a number of additional EPA officials in the letter and on this email. Unfortunately, we have not been able to locate the EPA email addresses for three of the officials included in the copy list and request that the letter be forwarded to Mr. Garbow, Ms. Fox, and Ms. Hoffer.
